La passeggiata: a walk along the Amalfi Coast

As the sun sets over the turquoise shimmer of the Tyrrhenian Sea, a man walks the winding stone path hugging the cliffs of the Amalfi Coast. His linen shirt flutters in the salty breeze, his shoes dusty from the lemon groves, his thoughts soaked in memories.

With every step, he tastes the land. The sea air dances with hints of citrus, salt, and sun-scorched herbs. He pauses, leaning on a low stone wall, and watches the fishing boats bobbing below, catching the last of the light. He breathes in – and every note of the coastline speaks to him in flavour.

Our cocktail list follows his journey – a sensorial passeggiata along the cliffs, the gardens, and the sea. Every sip is a step through this dreamscape, woven with homemade Amalfi-inspired ingredients.

“I walked to remember. I drank to feel. And in every flavour, the coast spoke to me.”

Benvenuti.
