“In vino veritas, in aqua sanitas”

“IN WINE THERE IS TRUTH, IN WATER THERE IS HEALTH”

At Azzurra, our team of sommeliers is devoted to discovering hidden gems from Italy's finest wine regions — and beyond.

Our curated list highlights **organic, biodynamic, sustainable, vegan, and vegetarian** wines, thoughtfully chosen to complement our cuisine.

We collaborate with producers who are among the most respected in their regions — artisans who craft exceptional wines with a deep respect for tradition, terroir, and innovation.

This menu is a selection of **quality, character, and conscious craftsmanship.**

ORGANIC — ‘O’

Wine made from organically grown grapes which uses fertilizers and sprays made only from natural compounds.

BIODYNAMIC — ‘Bd’

In addition to organic practices, biodynamic farmers rely on special plant, animal and mineral preparations to enhance the health of their soils and vines. They also consider the position and rhythmic influences of the sun, moon, planets and start as guide when to prune, plant or dig.

SUSTAINABLE — ‘St’

Farming system that is more sustainable—environmentally, economically, and socially. It also maximizes productivity and profit while minimizing environmental damage without compromising the ability for current or future generations.

VEGAN — ‘Vg’

Wine that is made by not using any animal-derived products during the process of clarifying or fining (to remove protein, yeast, cloudiness...), using instead minerals or plants.

VEGETERIAN — ‘V’

Wine that is made without using any ingredients derived from animal tissue during the clarifying or fining process. It may include natural byproducts like egg whites or milk protein, but avoids others such as gelatin or fish-based agents.

“Ultimo Sorso - The Last Sip”

An invitation to taste the unforgettable.

This is a curated selection of wines nearing the end of their journey on our list – bottles soon to be delisted, with limited availability.

Each one offers a fleeting chance to experience something rare, characterful, and unrepeatable.

Once they're gone, they're gone.

Savor them while you can.
