“In vino veritas, in aqua sanitas”

“IN WINE THERE IS TRUTH, IN WATER THERE IS HEALTH”

Azzurra Sommeliers team is constantly searching for little gems hidden in the best Italian wine regions and around the world.

We have created a menu focused in **Organic, Biodynamic, Sustainable and Vegan** wines that are perfect pairing for our cuisine.

Our producers are among the greatest in their region, producing premium wines and offering the best value, quality and variety.

ORGANIC – ‘O’

Wine made from organically grown grapes which uses fertilisers and sprays made only from natural compounds.

BIODYNAMIC – ‘Bd’

In addition to organic practices, biodynamic farmers rely on special plant, animal and mineral preparations to enhance the health of their soils and vines. They also consider the position and rhythmic influences of the sun, moon, planets and start as guide when to prune, plant or dig.

SUSTAINABLE – ‘St’

Farming system that is more sustainable—environmentally, economically, and socially. It also maximizes productivity and profit while minimizing environmental damage without compromising the ability for current or future generations.

VEGAN – ‘Vg’

Wine that is made by not using any animal-derived products during the process of clarifying or fining (to remove protein, yeast, cloudiness...), using instead minerals or plants.

“Sip them before they are gone”

Discover something unique before it disappears! This selection features wines that are soon to be delisted, offering you a rare opportunity to taste distinctive flavors that won't be available for long.

Don't miss your chance to enjoy these bottles while they last.
